The family went to Indiana when Thurse was 4. The journey was made in a covered wagon, drawn by four horses. They led 3 milk cows...They arrived 3 days before Christmas in 1816. They settled near a spring and built a cabin with one room. Some settlers made only open front cabins. They raised a corn crop and took it to KY to have it ground. The complete story can be found on the Lawrence Co., IN GenWeb site.

Rogers says they were in Indiana by 1820 with 11 children.

## Generation 2 (con't)

Dear Cozin:

After the usual compliments I will inform you that we are in reasonable health at present, hoping these lines will find you in the same state of health. I had thought I would have come to your country and see you all this fall but my health is very bad at present and I will have to decline the notion having a good many other things to see to. I take spells of the sore eyes last Feb. and were almost blind for 8 or 9 weeks and since that time my eyes seem very weak and runs a great deal of the time, but thank God I can see tolerable well at times. We have not heard from you for some time. I would be glad if you would write to us and let us no of your health, and how you are getting along and how times are in your country and in particular how old Uncle John Maxwell (bro. to William) and his family is. And Old Aunt Sara Weaver (probably a Maxwell) is yet alive and in comon health, but has lost her hearing and recollection. In a grate measure we have fine prospects for crops this season. Wheat has been very good, corn and oats loos well and health is reasonable good at present. Wheat is worth 50 cents per bushel, corn 16, bacon 4 cents a pound and other things in propotion.

I received a letter from David Maxwell that is in Carolina, a week or so ago and he stated that our connection were all well in that country except Patsy Fender (daughter of Jesse and Frances Stamper Toliver). She seemed to be insane. Old Uncle John Toliver (our John b. 1760) had lost his sight but was in good health for a man of his age. Times he wrote was good.

May God grant to each of you a portion of his spirit to cause you all to press forward in the cause of Jesus and his religion and that we can say as the Apostle Paul that we fought the good fite and kept the faith.

Farwell to James & Elizabeth Toliver and all connection in that country.

Signed Joseph Maxwell, Lawrence Co., IN

(Sara Weaver was b. 1757 Delaware and died after 1850. She married Capt Isaac Weaver b. 1747-8 and died 1814. Sara was probably a Maxwell. She was lilving in 1850 Clay Co., IL with John Maxwell b. 1797 and Frances Conley b. 1802.)

Another letter written Sept. 21, 1844 was carried to IL by Solomon Fender; written to James and Elizabeth Maxwell Toliver in Bloomington, IL.

Dear Brother and Sister:

We take this opportunity to inform you that through the merceis and blessings of God, we and the friends are generally well and hope that these lines may find you enjoying good health.

There has been some sickness in the country but not fatal, we cannot recollect any deaths.

Times are pretty hard, though the "Whigs" say better are coming, they and the "Democrats" too, are having barbecues through the towns and country, everyday or two. Our wheat crops were very indifferent and the fly are now about to eat up what we have saved. Oats were very good. We have 20 stacks each stack containing about 100 doz. Corn crops are middling good. We sold this summer the rise of 400 bushels of corn. I live at the same place I did when you were here and I own 443 acres of land up and down the valley. Your mother (Susan Edwards Toliver) is living Sis, and enjoys good health. She says she would like to see you once more, as she is old, she expects that she never will, unless you come to see her, and she thinks that you might come, it is not so far. She remembers her love to you and family.

There have been several weddings among your connection. Rebecca Toliver (GrCh of Charles and Susan) married a gentleman by the name of Sterling Williams, Isom Toliver married Miss Phebe Way, Susan Toliver married Alexander Maxwell, Charles Workman married Matthew Fielder's widow. Rebecca Isom married a gentleman by the name of Lewis Morgan, Mahala Workman is expecting to marry a gentleman by the name of Henry Boyer, the third of next month.

There were two deaths that we had forgotten and thought likely you had never heard of them. Old Father Edwards (Susan's father) died the 28th of last March, two years ago. Nathaniel Brewer died last April, two years ago. And Elizabeth Brewer (dau. of Charles and Susan) and family are well and send her respects to you and family.

Eli Way and Thurzey (Charles and Susan's) send their love and respects to you and family. We have nothing more of importance to write excepting we have six hearty children, four boys and two girls, William, Isom, Robert and Nancy and Thurzey are their names. Thurzey is three years old and sucks yet.

We shall now bring our letter to a close by wishing to be remembered by you and all inquiring friends, so no more, but we hope to remain your affectionate brother and sister until death.

Signed - Richard Hall and Mahala Toliver Hall from Lawrence Co. Ind.
